8 into 9	27 - 5	definition of "sale"	-does this definition capture the intention of this bill?
10	7-10	medical marijuana plant inventory transfer	-formal notice to patients of intent to transfer their plants?
10	17-21	medical marijuana plant inventory transfer	-formal notice to patients of intent to transfer their plants?
18 - 19 and 1-12	13-27	labeling requirements	-this is a label longer and larger than most infused products
22	3	prohibition on health or physical benefit claim	-unintended consequence i.e. gluten free?
22	11	prohibition on marketing for location based devices	-what is a location based device?
22	13-16	requirement for magazines	-what about free magazines and medical marijuana magazines designed for patients?
22	19-23	product packaging	-shift the burden from retailer to parent? This requirement is onerous for retailers and all other consumers.
24	9-10	limit is used twice in the same sentence	-does this make the logic circular?
24	15-16	individual grows	-should that be retail marijuana cultivation facilities?
24	23-24	attempt to minimize the market for unlawful marijuana	-should this include production, cultivation, etc.?
28	14	special terms or conditions	-add the word "restrictions"?
29 - 30 and 1 - 2	25-27	discharged penalties for ownership	-strike 5 year provision from the effective date of the bill - change controlled substance to marijuana and marijuana related products only
35	11	licensing	-is this a state "provisional" license?
41	2- 6	types of licenses	-contemplate a wholesalers' license with permissive integration?
58	11	notification of local investigation	-add city attorneys?
